Clinician Outreach and Communication Activity (COCA)

March 12, 2020

COCA prepares clinicians to respond to emerging health threats and public health emergencies by communicating relevant, timely information related to disease outbreaks, disasters, terrorism events, and other health alerts. **Subscribe to COCA alerts and calls:**

COCA Calls/Webinars

During COCA Calls/Webinars, subject matter experts present key emergency preparedness and response topics, followed by meaningful Q&A with participants. Each COCA Call/Webinar will offer the most up to date information and guidance for clinicians. [Continuing Education](#) is available for most calls/webinars.

For Call Announcements and other information on upcoming calls, [join the COCA email list](#).

Upcoming COCA Calls/Webinars
