RETURN PRIVILEGES

Unless otherwise specified in the purchasing agreement, participating members will be eligible to return up to 30% of each branded presentation of GSK Flu Vaccine doses purchased via GSKDirect for full credit (the 30% eligibility is applied per product NDC). In order to qualify for return reimbursement of eligible Flu Vaccine doses, customers must obtain a **GSK-issued Return Goods Authorization (RGA)**. The RGA can be obtained via www.GSKDirect.com or by calling the GSK Vaccine Service Center at 1-866-475-8222.

Eligible Flu Vaccine doses returned must be received at the GSK Return Goods Vendor (Inmar) within the Flu Vaccine Return Period. GSK will notify eligible customers of the return window begin date and end date ("The Flu Vaccine Return Period") and when the RGA will be available. Flu vaccines returned without the RGA and/or received outside of the eligible Flu Vaccine Return Period will be reimbursed Federal Excise Tax (FET) only.†

- Partial product returns of FLULAVAL QUADRIVALENT multi-dose vials are ineligible for reimbursement with the exception of the FET, which will be calculated to the nearest quarter vial
- With the exception of terms that conflict with the purchasing agreement (in which case the purchasing agreement terms supersede all other provisions), all other GSK Return Goods Policy provisions apply as published on www.GSKDirect.com.
GSK's Return Goods Policy is subject to change on www.GSKDirect.com without notice
